Docket No. CP2018-4

**MOTION FOR LATE ACCEPTANCE OF
UNITED STATES POSTAL SERVICE RESPONSE TO ORDER NO. 4164
CONCERNING EFFECTIVE DATE OF A
GLOBAL PLUS 1D NEGOTIATED SERVICE AGREEMENT
(April 4, 2018)**

The United States Postal Service hereby moves for late acceptance of its notice of effective date for the Global Plus 1D agreement, which the Postal Service filed today in this docket.¹ Commission Order No. 4164 states that “The Postal Service shall promptly notify the Commission of the effective date of the Agreement.”² Regrettably, the Postal Service discovered that the notice of effective date for this contract was not filed with the Commission in a timely manner relative to the contract’s effective date. The untimely filing was because of inadvertence and the large number of international negotiated service agreements. Once discovered, the Postal Service filed the notice of effective date as soon as possible. The Postal Service regrets the delay in filing its notice, but submits that no party has been materially prejudiced by the delay.

Thus, the Postal Service respectfully moves for late acceptance of its notice of effective date for the instant contract.
